

## **Director of Counseling**

The Putney School is a secondary boarding school in rural Vermont and a leader in progressive education. Our community is collaborative and dedicated to the principles of diversity, equity and inclusion, and we regard decision making in the community to be part of the curriculum of the school. It is our expectation that each employee will join the community whole-heartedly and will have the well-being of the school as a whole and of each individual student in mind at all times.

The Director of Counseling is responsible for creating and sustaining the vision, direction, and implementation of the counseling services at the school, and will work collaboratively with the Health Office team. Successful candidates will have a strong clinical background including proven experience providing comprehensive mental health services and psychoeducational outreach to adolescents with a diverse range of identities in a school setting. The Director of Counseling reports to the Dean of Students.

Responsibilities include:

- Administering culturally competent and developmentally appropriate clinical services, clinical supervision and program oversight
- Building strong collaborative relationships with students, families, campus educators and deans to support student health, wellness and positive community engagement
- Strategic clinical case management, community referral and consultation with support resources and health care providers

Education and/or Experience:

- Experience with adolescents, preferably in an educational setting
- Appropriate education and degree: Licenced Clinical Social Worker, Licenced Mental Health Counselor or School Psychologist

Please send your resume, a letter of interest, documentation of licensure and names of three references to [employment@putneyschool.org](mailto:employment@putneyschool.org). Applications will be considered on a rolling basis and will be reviewed until the position is filled. The position is open from January 2021.
