

The Putney School Math Faculty Position

The Putney School, a progressive secondary boarding school, has an opening for a math teacher starting in the 2022-23 school year. Putney is a leader in progressive education and is committed to the ideals of social justice. Our commitment to social justice work is embedded in our stated fundamental beliefs; it is part of our regular work in curriculum design, assessment structures, and professional development to examine, reflect on and promote anti-racist work. The ideal candidate will be eager to participate in anti-racist work and use an inclusive, social justice lens in their work with all students and adults on campus. Building a just and inclusive community is a shared responsibility, and Putney supports all its employees in developing this critical skill set.

[This video](#) provides some perspective on math at The Putney School.

The job includes:

- Academic duties including teaching four class sections, working with students in independent, project-based work and senior exhibitions; conferencing regularly with students; writing detailed reports on student performance
- Duties in athletics, the work program, or another area of expertise
- Residential duties
- Advising duties for 6-8 students

The ideal candidate:

- Has interest and demonstrated ability in teaching and supporting adolescents, flexibility, energy, collegiality, and the ability to work effectively with a team
- Is able to teach to a wide range of student abilities and levels
- Has experience teaching material up to and including calculus to high school students
- Has experience with extensions to the canonical high school curriculum, e.g. robotics, computer programming, financial math, etc.
- Is interested in collaborating with colleagues to develop innovative pedagogies
- Is in alignment with the school's focus on diversity, equity, inclusion, and justice work and is committed to growing this critical skill set.
