

POSITION AVAILABLE
School Nurse and Athletic Trainer
THE PUTNEY SCHOOL

The Putney School is seeking a full-time **School Nurse and Athletic Trainer** for the 2024-25 School Year. The School Nurse and Athletic Trainer is an Academic-Year Position (plus 2 weeks during summer) working in the School's Health Services Office both in a general nursing capacity and to support students with athletic injury prevention and treatment. The position helps meet the emotional and physical needs of a diverse student and parent body while also maximizing the quantity and quality of school time by reducing the incidence of health problems that impair or prevent learning.

About The Putney School: Putney is a progressive boarding school for 230 hardworking and curious students in Putney, Vermont. Hands-on learning is embedded in the school's culture: a working dairy farm, expansive arts offerings, a robust work program, miles of wooded trails, and large solar arrays serve our curriculum. Employees are also part of an intentional residential experience that values belonging and community. We seek applicants who find joy in their work and help others realize how much fun authentic, student-centered learning can be. The school cultivates and sustains an educational community that values difference. Community members explore how they contribute to building a home at Putney where everyone, especially those from historically marginalized populations, can honor their individual racial, gender, ethnic, and socio-economic identities. Putney recognizes this is difficult, communal work, and the school supports all its employees in developing this critical skill set.

Responsibilities:

- Staff the Health Services Office during center hours and assist with weekend rotations.
- Manage care for sick or injured students, within scope of practice, in coordination with Health Services staff.
- Administer prescriptions, over-the-counter medications, and immune support to students as ordered by a licensed physician.
- Provide on-call coverage during assigned rotation which includes phone triage, in-person assessment as needed, ER trips as needed, and medical supervision overnight as needed with students who require health monitoring.
- Identify the health care needs of students, plan and implement services to meet those needs, and assess and evaluate the effectiveness of the services provided.
- Maintain accurate documentation and appropriate confidentiality regarding all ongoing aspects of care.
- Serve as a liaison between school personnel, family, community, and health care providers.
- Serve as a health resource for students, families, and Putney personnel.
- Assist with the administration of the health services office; other duties as assigned.

Benefits:

- Competitive compensation depending on experience.
- Health benefits, life and disability insurance, paid vacation, and 403(b) retirement plan contributions.
- Annual professional development opportunities.

Qualifications:

- Must possess a current ATC credential (BOC Certified Athletic Trainer) or a Vermont RN or LPN license, plus training and experience in concussion protocols.
- Must possess current certifications in BLS and CPR.
- Must possess a valid driver's license, successfully pass a criminal and sexual offender background check, and be authorized to work in the United States.

POSITION AVAILABLE
School Nurse and Athletic Trainer
THE PUTNEY SCHOOL

- Computer literacy and the ability to navigate electronic medical records is required.
- Three or more years of school nursing, primary care, and/or emergency department experience is preferred.
