**About The Putney School:** Putney is a progressive boarding school for 225 hardworking and curious students in Putney, Vermont. Employees are also part of an intentional residential experience that values belonging and community. We seek applicants who find joy in their work and help others realize how much fun authentic, student-centered learning can be. The school cultivates and sustains an educational community that values difference. Community members explore how they contribute to building a home at Putney where everyone, especially those from historically marginalized populations, can honor their individual racial, gender, ethnic, and socio-economic identities. Putney recognizes this is difficult, communal work, and the school supports all its employees in developing this critical skill set.
